

The State of Rhode Island has launched a new, streamlined program with Weight Watchers!

Employees may now use their Monthly Pass to go to At Work meetings, and they may take advantage of a new discounted monthly pricing. Also, those eligible to earn the *Rewards for Wellness* incentive credit may qualify for 50% reimbursement off the total price of the Monthly Pass program for up to 5 months during the time of offer (August 1, 2012 – March 27, 2013). To qualify for reimbursement, eligible employees* must attend at least three of the four Weight Watchers meetings each month and submit a completed [State of RI Weight Watchers Reimbursement Form](#) to UnitedHealthcare by March 27, 2013. (Reimbursement for Weight Watchers Online is not available at this time.)

* All State of Rhode Island employees are eligible to participate in Rewards for Wellness programs and screenings, but only employees who are paying the State employee co-shares that are posted at www.employeebenefits.ri.gov are eligible to receive incentives for co-share credit.

For instructions on how to take advantage of these updated offerings, please see below.
